Artful Splodgers enrichment programme: - classes aim to enhance art education provision for primary/secondary school children in Chorlton, by offering opportunities for them to learn directly from contemporary artists. Children will be introduced to a variety of art materials and techniques, developing their skills in various areas of art and design, through a range of topics with both formal and informal instruction. The lesson plans are designed to encourage your children’s creative development and nurture their self confidence and ability to express themselves.
